

REMARKS

At the outset, the examiner's attention is drawn to the Change of Correspondence Address for Applicants' undersigned attorney, which is enclosed herewith. Please direct all future correspondence to Applicants' attorney at this new address.

In response to the restriction requirement issued August 19, 2002 in the above-referenced patent application, Applicants elect for prosecution the invention of Group I, claims 1-22, 24 and 25. The remaining claim has been canceled as drawn to a non-elected invention. Applicants reserve the right to prosecute the claim of the non-elected invention in one or more continuing applications.

Attached hereto is a marked-up version of the changes made to the specification and claims by the current amendment. The attached page is captioned "**Version with markings to show changes made.**"
